Subject: Bond Requirement, State Stone Corporation, Torrey Buff and Torrey Red Quarries, S/055/021, Wayne County, Utah

Dear Mr. MacKay:

On April 21, 2005, the Division approved the Notice of Intention to Commence Small Mining Operations (NOI) for the referenced quarries conditional upon verification of reclamation work and submittal of a surety. We have now inspected the sites, and there is an area of 4.98 acres that has not been graded and seeded.

To complete the permitting process for these sites, the Division needs to receive a reclamation surety in the amount of \$13,500. This can be submitted in the form of a certificate of deposit, a letter of credit, or a corporate surety. Please contact Beth Ericksen, Bond Coordinator, at 801-538-5318, for information about how to submit the bond and a reclamation contract.

We would like to finish permitting these sites as soon as possible. Please submit the reclamation bond by August 31, 2005. If you cannot meet this deadline, please let us know the reason and provide a schedule for submitting the bond.

Please call me at 801-538-5258 or Paul Baker at 801-538-5261 with any questions about this letter.

Sincerely,

for Susan M. White
